Laser Technology for Quality Printing

Enjoy the professional look of laser printing. The laser copier function helps assure high quality reproduction in every document and drawing you want to copy.

Convenient Laser Copier Function

The KX-FL512 performs a range of advanced laser copier functions in 600 dpi at 10 PPM: Enlarge, Reduce, Collate (sort) and Multiple Copy from one original.

Dual Access Operation

This function quickens the pace by letting you run two operations at the same time. For instance, while sending or receiving a memory-based fax, you can store additional documents to send later.

170-Page Document Memory*1*2

The unit can store up to 120 pages in its built-in memory. Ideal for broadcasting multi-page documents to multiple locations. This feature also enables out-of-paper reception for up to 170 pages.

High Speed 12 PPM Laser Printing*3

It can print documents in crisp 600 dpi resolution, at a fast rate of 12 PPM for printing original document or 10 PPM for copying faxes.

Quick Scan

Spend less time waiting for your documents to scan! Models with this feature rapidly scan a document into memory and then send the document from memory to the recipient.

Other Features

- Navigator key for easy operation
