KX-FT903NX-B

Ideal Communication System for Home or Office.
Compact, Convenient and Easy to Use

Automatic Paper Cutter

Documents that are received or copied will be automatically cut and stacked.

Out-of Paper Reception*1

The unit can store up to 20 pages in its built-in memory when the unit has run out of paper. This feature can be utilized for broadcasting.

Caller ID*2 Ready

With caller ID compatibility, you can view the name or number of your incoming callers on the LCD screen before you answer the call.

Sequential Broadcasting (10 Locations)

If you're sending the same fax to multiple locations, you can program the unit to do so automatically, for up to 10 locations you program.

Directory Dialing

The unit has 100 phone directory entries and 22 one-touch dialing stations with upper/lower key to program the names and phone numbers for quick recall and dialing.

Dial Lock Function

You can lock the dial function to prevent from unauthorized phone call on your fax. The programmed emergency number can be still dialed.
